

Technology and Integrated Discipline Engineering Services (TIDES)

Questions and Responses #4

1. The RFP does not include 52.222-41 Service Contract Labor Standards nor does it include 52.222-53 Exemption from Application of the Service Contract Labor Standards to Contracts for Certain Services Requirements. Is the TIDES RFP subject to Service Contract Act Wage Determination?

Response: In accordance with FAR 22.10, the Contracting Officer has made a determination that the Service Contract Labor Standards statute does not apply to this procurement.
